With Star Wars Day (May the Fourth) right around the corner, I thought it would be fun to share some Star Wars Day activities that take no prep and work for both kids and adults! You all know my family loves Star Wars. I mean we've played about a million Star Wars games like Star Wars would you rather and even done a Star Wars scavenger hunt. And we can't forget the time we did a little jedi training for my son's Disney themed birthday party! And right now we're picking out costumes for our Star Wars Galactic Starcruiser adventure next month, it's going to be out of this world! So putting together these easy Star Wars trivia questions was mostly a piece of cake, well except coming up with the more challenging questions. If I knew it off the top of my head, it probably wasn't challenging enough!
